Dear Parents

Asthmatic Children

In accordance with recent legislation, we will be keeping Salbutamol inhalers in school for emergency use. If a child has forgotten or lost their personal inhaler and is in need of it, with your permission we will be able to offer the use of a school inhaler, which will be used with a spacer.

If you would like this procedure to be put in place for your child, should they need it, please sign and return the slip below and return to Maiden Beech in the envelope provided.

Yours sincerely

Carl Winch
Headteacher

Please return to: Reception – Maiden Beech Academy
