

CHICS MUSIC

Dear Parents

June 2020

MUSIC INSTRUMENT LESSONS AT MAIDEN BEECH ACADEMY

Pupils already learning

If your child is already receiving instrumental lessons we will do our best to ensure that they can continue under the CHICS Music Scheme. If they do not have their own instrument, we would ask you to contact us to discuss the requirement; we can also arrange for purchase of instruments excluding VAT. If they are currently learning with any other organisation you will need to give notice to cease. If you wish your child to have lessons please complete and return the reply slip attached.

New Pupils

There are likely to be places available for new pupils to learn. We can offer tuition for Flute, Violin, Cello, Drums, Guitar (both classical and electric), Clarinet, Saxophone, Trombone, Trumpet, Keyboard and Singing. If you would like your child to be considered for any instrument, please complete the slip attached.

How Much Does It Cost?

CHICS Music prices are generally lower than County and private lessons. The cost of an **individual** lesson is **£10.50** for 20 minutes. We teach 10 lessons per term and these are payable in advance before lessons can commence. It is possible to have some tuition in paired lessons. These lessons cost £5.25 per lesson and can be arranged subject to appropriate pupil numbers. A half term's notice is required to cease lessons and your commitment is for a term at a time.

If you have any questions about the CHICS Music Scheme or music tuition at Maiden Beech Academy, you can contact me on 01460 72677. I am available from 9.30 am – 1.30 pm on Mondays, Wednesdays and Fridays, during term time. You can also e-mail me at chics-music@maidenbeech.net.

Yours sincerely

Heidi Follett
CHICS Music Administrator
