

Guidance on how to create a Zoom Account

We are planning to hold virtual information evenings for parents of our new Year 5 intake via the Zoom platform. In order to participate in the meeting, you will need to set up a Zoom account. Please find details of how to do this below.

As a school we have successfully used Zoom for virtual staff meetings with up to 50 people participating; therefore, we are hopeful that this will prove a successful approach for communicating with you and your children.
